...Safe Journeys Home!
Welcoming All Genders

Many of us were raised in a culture that taught us that there were two possible genders, male and female, and that knowing a person’s gender was critical in order to relate correctly to them in society. However, we now know that gender is not a binary, and that a person’s gender may change over time. **As we work to welcome all Friends, here are practices we can use to be open and respectful of everyone:**

- Practice not guessing gender, but asking what pronouns someone prefers.
- Consider writing your pronouns on your name tag.
- Ask people who introduce themselves to inform you of their pronouns.

Pronouns people may prefer include:
- She/her/hers
- He/him/his
- They/them/their

There are other less-common pronouns people may prefer - the important thing is to ask!
Program Information

Welcome to the land of the Kalapooia! Here in McMinnville we gather on indigenous land and acknowledge those who lived here before European American arrival.

Residence Hall restrooms will all be gender neutral, so everyone can use the bathroom on their floor. There is only one restroom on each floor, so this family style approach will allow the easiest access for all. Showers are expected to have an enclosed dressing area with each shower stall, however signs will be provided designating gender specific shower times if these private dressing areas are not available in any of the residence halls.

Plenary Sessions are the times when we will worship, hear committee reports and updates, receive proposed minutes and action items, and discern together what we are called to do as Friends.

Early Morning Worship and Drop-in Meeting for Worship Space are in Riley Hall, Room 208, also labeled the Commuter Lounge.

NPYM Office is located in Riley Hall, Room 210.

Youth program for children and Central Friends will be downstairs in Melrose Hall in the Jonasson Room. Programs are scheduled for specific times. Please be prompt with drop-off and pick up time so that the children are fully included and so our gathered community has a smooth experience at annual session.

Junior Friends program location will be in Anderson Hall Lounge, except when they join adult program activities.

Young Adult Friends will have gathering space available every evening in Hewitt Hall Lounge.

Friends of Color will have gathering space available every evening in Terrell Hall Lounge.
Quaker Fair displays from many Quaker organizations and some interest group leaders will be set up in TJ Day Hall, Room 222 through Friday evening. Tables will be staffed by volunteers during Quaker Fair on Friday evening.

Bookstore & Friends Market is located in Riley Hall, Room 201.
Thursday: Open 12:30-1:30 and 3:15-7:00 pm
Friday: Open 11:30 am-1:30 pm and 3:30-8:00 pm
Saturday: Open 10:00 am -12:00 noon and 5:30-7:00 pm

Open Mic is Thursday 8:30 to 9:30 pm. Sharing music, performance art, spoken word. Sign up on the Open Mic list on the bulletin board outside Melrose Ice Auditorium or in the foyer of Dillin Hall.

Community Night is Saturday 7-8:30 pm. Each meeting, Worship Group and Children’s/Youth Program group will have one place on the program. Sign up on the Community Night list on the bulletin board outside Melrose Ice Auditorium or in the foyer of Dillin Hall.

Interest Groups and Worship Groups will be held in TJ Day Hall. Room locations will be posted no later than Thursday morning on the bulletin board outside Melrose Ice Auditorium or in the foyer of Dillin Hall.

Interest Group 44 movie, Something New, is open to all. It will be shown in TJ Day Hall, Room 219 on Friday evening at 9:00 pm.

For Check Out, please make sure you check your room carefully for all belongings. Collect all the linens and place them in a pile outside your room. Close all windows. Leave the room unlocked. Turn keys into the drop box outside the Conference & Event Planning office (located on the southwest corner of Dillin Hall dining facility).
Welcome, Families!

Here’s what’s happening for kids (Infant through 8th grade). Times for Youth Program are included on the schedule.

**Littlest Friends (birth through age three):**
We are testing a system for our Littlest Friends this year called “Buddy Bracelets”. Parents or guardians of each child in the Birth-3yr age group will be given a stretchy bracelet with the child’s name. When the child is signed into the Children’s Program the parent or guardian will give the bracelet to a Children’s Program Staff member as a tangible reminder to keep an eye on that specific child. If a staff member needs to transfer care of a child to another qualified adult, they will also transfer the bracelet. When parents or guardians sign their child out of the Children’s Program they will take the bracelet back as well. While all adults working in the Children’s Program try to keep an eye on all the children as they play, our hope is that this system will create a safer environment for our youngest Friends.

**Younger Friends (ages four through ten):**
We will continue to explore the “Play As Lead” model this year. Whenever Children’s Program gathers together, there will be multiple activities for children to choose from. Arts and crafts to make, stories being read, games to play outside, cooking projects, skits and songs to practice for Community Night, and more. All activities will be supervised by Children’s Program staff, although some projects may be led by volunteer Friends. Some activities may be better suited to younger or older children, but there won’t be any age limits or requirements. Help and accommodation will be given to all Friends who need it to fully embrace each activity.

**Central Friends (entering grades six through eight in the Fall):**
Our Central Friends will have work to do this year. We are hoping to establish a sustainable Central Friend’s Meeting, with a code of conduct, clerking committee of kids, and goals for the future. Central Friends will have the privilege of signing themselves into and out of the program at designated times (meals and the end of the day’s program) but are asked to participate fully in all events during the day. If your child does not think they will be able to participate please let us know so that we can work with you to arrange a safe environment for their care. Children who are not signed into the program must be under the supervision of their parents or guardians while on campus.
Orientation for Youth Programs is on Wednesday, from 6:00 to 6:45pm in Melrose Hall, Jonasson Room. We ask all families that have arrived by this time to please attend Orientation.

On Thursday at 8:45am, Children will join Plenary and Youth Program leaders will be introduced. Mim Lilly Coleman and Brayden Miller will be near the doors to sign in your children. Children will be leaving meeting with the staff.

Safety
We don’t expect an urgent situation with your child, but just in case, please use the Check-In Sheet to let us know where you plan to be during each session or carry a mobile phone – silent mode works best during meetings. NPYM youth safety guidelines require background checks for adult leaders, ready first aid supplies, and careful monitoring and staffing. Gathering spaces are set up according to NPYM guidelines. Medical release and information forms are required for all children participating in NPYM youth activities. Please be sure you’ve provided one to the program. Use the form to designate other responsible adults for check ins and outs. If you have questions or concerns about youth safety, please talk with Mim Lilly Coleman. (253) 888-1995

Check in / Check out procedure for all Programs
With the exception of Thursday Morning when we all gather in the Ice Auditorium, every session will start and finish in Melrose Hall Jonasson Room. Please bring your child and wait with them until you have signed them in with an adult leader. Please sign out on the sign-up sheet after every session. You may designate other responsible adults in advance for this. Please arrive on-time to sign your child out. Leaders can’t join us in the cafeteria for meals until all children have been signed out.

Thank you!
McMinnville Area Attractions

Need a cup of coffee or a snack? Great Harvest (1135 SW Baker St.) is the closest place to get a hot cup of coffee, though nearby 3rd St. offers many options as well.

3rd Street is McMinnville’s downtown area, and it’s within walking distance of Linfield’s campus. From 3rd St Books (320 NE 3rd St ) to McMenamin’s Hotel Oregon, with its rooftop bar (310 NE Evans St), many cafes and fine dining options, there is something for everyone. That includes ice cream at Serendipity (502 NE 3rd St), which provides workplace experience and job training for adults with developmental disabilities. Harvest Fresh Grocery & Deli (251 NE 3rd St) also has everything for those on restricted diets or who just like good, locally-grown food.

McMinnville’s Aquatic Center is a short distance from Linfield’s campus and offers two indoors pools, a hot tub, and gym. Cost is $5/adults $3/children for day passes. Check online for hours and schedules: www.mcminnvilleoregon.gov/aquatic

The Evergreen Aviation and Space Museum is on the outskirts of town, and is home to the Spruce Goose, the largest-ever all-wooden plane. Hours are online: www.evergreenmuseum.org/museum-hours

Wings & Waves Waterpark is an indoor, all-season waterpark that includes ten waterslides, ranging from slides for the little ones to slides for daredevils, and a fun wave pool. Located next to the aviation museum at 460 Northeast Captain Michael King Smith Way McMinnville, OR 97128, the park offers a range of pass prices. Check online for details: wingsandwaveswaterpark.com/admission/

Airport Park is a pretty ramble through the woods, with glimpses of the airport’s airstrip and numerous curious concrete structures--fountains, a mushroom house, and more. Find airport park on the south side of Oregon Route 18, just across the street from the Evergreen Aviation and Space Museum. Turn onto Armory Way - the park is at the end of the road. Galen McBee Airport Park, 375 SE Armory Way.
