We gather for worship on first day in two locations: Village Green Community Center in Kingston, and in homes on Bainbridge Island. Twenty-seven individuals participate regularly in meeting for worship. Eight of us are members. At present we find it difficult to fill leadership and committee roles.

Meeting for business is held on the third Sunday at Village Green.

On second Sundays, following meeting for worship at Village Green, discussions are held on topics chosen from Faith & Practice.

Joe Snyder, visiting Friend from PNQM, joined us one Sunday to reflect on how meeting nurtures us as individuals and as a group.

Monthly discussion on a Saturday have examined topics of peace and social concerns. One discussion was about how the food we eat impacts the environment and climate change. Other discussions considered immigration in the U.S. and forced migration in Europe.

Poetry reading follows meeting for worship at Bainbridge on the first Sunday.

Individual Friends have been active in Pacific Northwest Quarterly Meeting, North Pacific Yearly Meeting, Quaker Voice, Western Friend, and Quaker Earthcare Witness.

There has been consideration of whether/how should meeting make financial contributions to local organizations that do work which we want to support.

Two members passed away:
Eric Hoyte
Jan Prichard-Cohen
