2013:9 Ad Hoc Committee to Evaluate NPYM Structure

Minutes of Exercise (questions, comments and concerns from the floor of the plenary):

Why the new structure cost is less? (less travel)

What would be the distinction between the proposed Communication Committee and the current Coordinating Committee?

Will there be any remaining valued work left for Coordinating Committee?

Will there be further consideration of structure used in other Western meetings?

What is the distinction between how the Yearly Meeting and the Quarterly Meetings function to support monthly meetings and worship groups?

The Minute of Exercise was approved as complete and faithful to the sense of the questions, comments and concerns from the plenary floor.
