2013:17 ad hoc Committee on Relationships with Other Quaker Organizations

Minute of Exercise (questions comments and concerns from the floor of the Plenary):

There is already the Youth Opportunity Fund to do this kind of visitation and FWCC's mission is similar.

The process will require documentation to support applications.

Confidence figures to go with figures?

We should say what we have to say on affiliation with FGC and either do it or lay it down.

Is the FGC Gathering the one thing that Friends cannot use the fund for? (no)

Are we just avoiding a decision on the affiliation?

Pacific Yearly Meeting Observers go only to policy making meetings. Conservative Yearly Meetings don't have these.

Outreach and Visitation has not yet come to unity on playing the role requested here. There has been a continuing discussion among Friends in the Yearly Meeting about which people should be the objects of this outreach.

The Minute of Exercise was approved as complete and faithful to the sense of the questions, comments and concerns from the Plenary floor
